

"IF YOU CAN'T SAVE YOUR COUNTRY BY SERVING, YOU CAN SERVE YOUR COUNTRY BY SAVING." HOW MUCH CAN YOU SAVE?

ALLIES STRIKING AT GERMANY'S SUBMARINE BASES IN BELGIUM

DOUBLE DRIVE OF ALLIES MENACES BOTH SUB HEADQUARTERS AND IMPORTANT INDUSTRIAL HOLDINGS IN FRANCE

ALLENBY TAKES MANY MORE TURKS

The Anglo-Belgian drive in Flanders has developed a double menace to Germany. They face the loss of their submarine bases of Ostend, Zeebrugge, Bruges and the railway and industrial centers of Lille, Roubaix and Courcinq. Unusually rapid progress has been made in this region despite the most stubborn resistance. The fighting front now extends from Dixmude southward to the region of La Bassée, a distance of nearly 5 miles. A penetration of more than 8 miles has been made.

The Anglo-French attack in the Cambrai-St. Quentin region also along a 50 mile front has given the British virtual control of Cambrai while the British and French have more than half encircled St. Quentin. The great coal center of Douay also is in danger. The Americans in this region are fighting along St. Quentin and Escourt canals astride Le Catelet.

The German resistance on the Rheims-Verdun front appears to be directed against the Americans in the Argonne region. The American progress there is very slow owing to enemy reinforcements which are launching counter attack after counter attack.

The French, however, operating on the American left have made notable progress toward the line north of Monthois, a total advance of nearly ten miles.

Between the Ailette and the Vesle the French continue their progress toward Chemin Des Dames and to the southward are drawing near to Laon and Crayonne.

A total of 10,000 additional prisoners in Palestine was announced by General Allenby which brought the total Turkish prisoners up to 60,000 which have been taken east of the Jordan beyond Amman.

Reorganization of the line in the Balkans is expected to follow rapidly Bulgaria's withdrawal from the war. The Germans are reported to be sending a great number of reinforcements from Roumania into northern Serbia.

Austrian withdrawal from the whole front in Albania is looked for because of the danger of a flanking operation resulting from the extension of the Allied line north into Serbia.

Paris, 3:49 p. m.—The Germans are reported to be withdrawing from the Vesle and the Aisne west of Rheims. General Berthelot's army was understood to be in action. General Gouraud's army acting in the Champagne on Berthelot's right is progressing satisfactorily and is expected to reach all its objectives by night.

The new attack reported in the above dispatch apparently is an effort to straighten out the salient which remained immediately west of Rheims following the elimination of the Marne pocket. Between Rheims, the Oise and the Aisne canal north of Vailly the French still have an average of 6 miles to go on a front of nearly 25 miles to reach the positions held by the Germans before the enemy's first Marne drive began.

MARSHAL JOFFRE'S APPEAL TO AMERICA

Paris, Oct. 1.—(By United Press.)—Marshal Joffre in connection with the Allies military success and on the occasion of the Fourth Liberty Loan today made the following statement to the United Press:

"Victory approaches hastily in strides, but so it will be quicker, it is every citizen's task to give gold plentifully so as to secure for those who pour out their blood all possible means of casting down the last resistance of our enemy."

ALLIES CONTINUE TO DRIVE TURKS

Paris, Oct. 1.—British troops are within 2 1/2 miles of Damascus and the fall of the city is momentarily expected, the Echo d Paris declared today. At the same time the French cavalry is advancing on Beirut.

Damascus is the chief railway and commercial center in Palestine and is 60 miles north of the sea of Galilee. Beirut is the chief sea port of Syria and is about 70 miles north of Acre where the Allies were last officially reported.

INTEREST GROWING IN BIG BOND ISSUE

The Fourth Liberty Loan campaign is sweeping over the country like a whirlwind and the loyal patriotic people of these United States are eagerly placing their wealth at the disposal of our Uncle Sam for the purpose of providing our boys "over there" with the needed tools to put the final quietus on the unspeakable and bestial Hun.

From north, south, east and west comes the same story "everybody is doing it". As usual the grand old Keystone commonwealth is in the front rank and the returns have only begun to arrive.

As an illustration of what Pennsylvania is doing we will mention just two cases. The Harbison-Walker Refractories company at Pittsburgh has subscribed to \$100,000 worth of bonds. Of this huge total our district will be credited with \$115,000. This is slightly below Harbison-Walker's local subscription to the last loan, but this is due to the fact that three new works have been started since that time and also because Cambria county which was overlooked last time has been given their full credit on this loan.

The United States Steel company at Homestead began their drive last Friday and by Monday their 12,000 employees had purchased \$2,000,000 worth of bonds. This was in excess of the amount asked for as each employee had been solicited to purchase bonds to the amount of a month's wages.

GOOD WORK AT MACHINE SHOPS

The Clearfield Machine shops subscribed for \$11,000 worth of bonds following a meeting at their plant yesterday. Rev. E. V. Brown, one of Pershing's veterans and a sailor were present and spoke. The company told the men they would subscribe dollar for dollar with their employees and as a result the men took \$5500 and their employers promptly equaled the amount.

The Lone Pine Foundry branch of this concern was the first industrial plant in Clearfield to secure a 100 per cent flag—every employee subscribing for a bond Monday.

A splendid meeting was held at Frenchville last night. The speakers were W. A. Harkerty, Roy Fulton and County Chairman Hobart Callahan. More than \$6,000 worth of bonds were sold following the speech making and something over \$2,000 of this amount was paid in cash.

A rousing meeting was held at Winburne last evening. In addition to the local speakers present the soldier and sailor representatives of the State Liberty Loan committee were present. The soldier whose name is Devos is one of Pershing's veterans who was gassed by the Germans. He could not resist the temptation of such a fine audience and despite his injured vocal organs told some interesting experiences while facing the Hun.

The Clearfield Liberty chorus was present and added much to the enjoyment and enthusiasm of the occasion.

The Liberty Chorus will attend to night's meeting at Kerrmoor. All members who intend going should report at the Court House corner at 6 o'clock.

Liberty Loan headquarters in the Murray building is about the busiest place in town. Chairmen Callahan and Usher and Secretary Reeve are almost constantly on the job and with their corps of efficient clerks are turning out a vast amount of work daily.

L. E. Boyer, Esq., entered suit in the Prothonotary's office Friday last on behalf of John W. Lucore against E. C. Weaver and Constable William McNaughton, of DuBois, in which Lucore, who is 74 years of age, seeks to recover \$500 damages due to injuries sustained when the constable evicted him from a house belonging to Weaver.

TODAY'S CASUALTIES COMING LIBERTY LOAN RALLIES

The following casualties are reported by the commanding general of the American Expeditionary forces today:

Killed in action	124
Missing in action	13
Wounded severely	437
Died from wounds	10
Died from accident and other causes	3
Wounded, degree undetermined	4
Wounded slightly	3
Prisoners	4

Total 598

The following Pennsylvanians are on today's list:

KILLED IN ACTION
Sgt. Duane Salesberry, Dunmore.
Sgt. Wm. S. Gannon, Philadelphia.
Corp. Frank Grist, Hillsdale.
Corp. John A. Holmes, Corapolis.
Corp. Philip Cavan, Wilkes-Barre.
Corp. Charles H. Keeler, Philadelphia.
Corp. Rutherford Nesbitt, Beaver.
Corp. Thomas R. Rose, Pittsburgh.
Corp. James F. Webb, Philadelphia.
Wagoner Patrick J. Geary, West Chester.
Wesley C. Rarger, W. Monterey.
Charles Biaselle, Conshohocken.
Paul T. Elliot, Pittsburgh.
Thomas Guest, Pottstown.
Joseph A. Hill, East Downingtown.
Aden Henry Ingham, Franklin.
Joseph V. Favalaro, Glassport.
Warren V. Graves, Philadelphia.
Clyde R. Kuntz, Big Run.
Raymond Maloney, Philadelphia.
Elmer E. Mikesell, Homer City.
John R. Meyer, Portage.
Henry G. Summerfield, Pittsburgh.
Albert A. Watson, Colwyn.
Oliver E. Wright, Pittsburgh.

MISSING IN ACTION
Tony Mendicci, DuBois.
Thomas Stainsby, Philadelphia.
Frederick De W. Seiffer, Harrisburg.
Romeo O. Bewarz, Carlisle.
Steleanos Georgoulas, Scranton.

WOUNDED SEVERELY
Sgt. John P. Fisher, Philadelphia.
Sgt. James M. Leach, New Germantown.
Sgt. Michael Leary, Chester.
Sgt. Clifford McGill, Montoursville.
Sgt. Charles F. Hurst, Scranton.
Sgt. Matthew L. Rose, Philadelphia.
Corp. William A. Beattie, Clairton.
Corp. Thomas W. Dempster, Pittsburgh.
Corp. George G. Flury, Wrightsville.
Corp. Charles R. Fritsch, Carnegie.
Corp. Chas. Brusstar, Philadelphia.
Corp. John W. Henck, Republic.
Corp. James R. Patton, Philadelphia.
Corp. James A. Shatto, Carlisle.
Band Leader Matthew M. Nathan, Harrisburg.
Bugler Clayton A. Teator, Genesee.
Musician Joseph LaRose, Harrisburg.
Mechanic Francis I. Conway, Grove-town.
Mechanic George Kobulinsky, N. Braddock.
Mechanic Samuel B. Manning, Wilkingsburg.
Cook Jay C. Mock, Boliver.
Charles R. Arnold, Manheim.
Andrew Coleman, Pittsburgh.
Thomas Dixon, Clymer.
Vito Dragone, Washington.
John E. Farley, St. Mary's.
John Charles Feld, Philadelphia.
Joseph M. Black, Pittsburgh.
James R. Conroy, Natrona.
Austin Courtney, Pittsburgh.
Raymond J. Cumiskey, Philadelphia.
John M. Denuel, Philadelphia.
Lester L. Firestone, Edgewood.
Roger S. Hawkins, Dormont.
John William Hill, Bradford.
Earl C. Hinrich, Everett.
Joseph Jackalitz, Philadelphia.
Alfred R. Jarvis, Pittsburgh.
Floyd M. Kies, Erie.
Felix Kneiberg, Philadelphia.
David W. Lambert, Camp Hill.
Felix Kruszewski, Erie.
Charles Loper, Harrisburg.
Saul Meltzer, Pittsburgh.
Thomas P. Noonan, Philadelphia.
Earl E. Sabold, Tamaqua.
Raymond Shilling, Lebanon.
Raymond J. Talbot, Lebanon.
Charles A. Vetter, Pittsburgh.
Robert G. Weckerly, Doylestown.
Norman N. Yoset, Meadville.
George M. Young, Summit Hill.
Samuel C. Bartholomew, Northampton.

George L. Rodgers, Quantico.

Another of our young men in the service of his country has given up his life. George L. Rodgers, a resident of Point Lookout, near Philadelphia, died at the naval hospital at Quantico, Va., from an attack of pneumonia, on Thursday, Sept. 26, according to information which reached his grandparents, Mr. and Mrs. Samuel Rodgers, of Point Lookout, on Friday. The body was expected to arrive here this morning, and burial made from the residence of the grandparents. Through some misunderstanding or inaccurate shipping instructions the corpse was not on the morning train today, and will probably arrive this evening.

George Leverne Rodgers was born at Point Lookout in October, 1895, and was therefore in his twenty-third year. He grew to manhood in this section. In May 1917, he enlisted in the Marine Corps and was taken to Paris Island, S. C., for training, and later was stationed at Washington, D. C., and Quantico, Va. He was a member of Company D, 11th Regiment 1st Battalion. According to letters received by relatives he had been ill about two weeks.

**GEORGE L. RODGERS DIES AT
QUANTICO**

The funeral of the late John C. Dale will be held from the home of his son Samuel on Hannah street on Wednesday morning at 10 o'clock. Interment at Mt. Joy.

JOHN C. DALE'S FUNERAL

The funeral of the late John C. Dale will be held from the home of his son Samuel on Hannah street on Wednesday morning at 10 o'clock. Interment at Mt. Joy.

PENNSYLVANIA'S SECOND VISION WINS ADDITIONAL GLORY

By Frank J. Taylor

With The Americans West Of Verdun, Oct. 1.—The Americans are frantically rushing reinforcements into the Argonne region in an effort to stop the American advance. The enemy is determined to make a permanent stand on the present line, rather than farther back. Intense fighting continues with the infantry and artillery blazing away. Missouri and Pennsylvania troops encountered sharp fighting shortly after noon. The Germans threw in a fresh division from the West. Missouri's advance line slightly until their artillery was able to lay down a barrage. In the meantime the Pennsylvania troops, attacking the Germans from the right, attacked eastward, inflicting great losses on the Boche. The Missourians and Pennsylvania troops cooperating again attacked at 6 p. m. and captured the positions.

CARD OF THANKS

We desire to express our appreciation of the kindness of the neighbors and friends who so kindly came to our aid in our sad bereavement incident to the loss of our two little daughters.

Mr. and Mrs. Boyd Lanich

ENLISTED IN NURSE'S TRAINING CORPS

Miss Lucinda Walsh, a former valued employee of The Progress office, enlisted in the Nurse's Training corps and left Monday morning for Philadelphia where she entered the General Hospital as a student nurse.

REPUBLIC TRUCKS
Modernize Farming

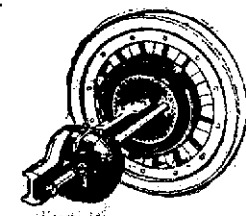

WITH a Republic Truck on your farm, you can get the same speed and efficiency in your hauling that are making profits for successful business men in every other line.

Republic Trucks are built by the largest manufacturers of motor trucks in the world, who build nothing but motor trucks and know just how to build them to insure their giving constant dependable service at a minimum cost. Last year more than twice as many Republics were produced and sold as any other make.

The Internal Gear Drive used on all Republics, gains extra leverage by applying the power near the rim of the wheel. That gives greater pulling ability under all conditions. The load is carried on a separate I-beam axle of solid forged steel and the driving mechanism has nothing to do but to drive the truck.

45% greater road clearance makes this the ideal truck for country roads and there is less unsprung weight which means a big saving in tires, gasoline and all upkeep expense. Republics are also remarkably easy riding.

Let us tell you more about Republic Trucks and show you the models which are particularly adapted to farm requirements.

The Internal Gear Drive is simple as well as powerful. Owners say that it is practically trouble proof.

Peel "Gets-It"

Only Real Way to Get Rid of Corn

Which do you prefer: a corn that pulls or a corn that "gets-It"? Butcher or breadmaker? Only "Gets-It" can get rid of your corn the peel-off way, the blessed way. You don't need a pull. Why jump yourself up on the floor and with your jaws set and eyes popping from pain, jerk and yank and cut your corns? Why irritate your toes with some salve or

"Corns Never Trouble Me, I Use 'Gets-It'!"

When your toe into a bit painful bundle with some sticky tape or plaster? Life is too short. Use "Gets-It"—it takes a few seconds to apply and there's no fussing. Corn-pains go. Wear new shoes if you want. Peel off the corn with your fingers—the whole thing, root and all, clear and clean and it's gone! Only "Gets-It" can do this. Talk no chances.

"Gets-It" the guaranteed, non-toxic, corn-remover, the only sure way costs but a trifle at any drug store. Manufactured by E. Lawrence & Co., Chicago Ill.

DOUBLE BEREAVEMENT

Mr. and Mrs. Boyd Lanich of Mt. Joy have been called upon to mourn the death of their two little daughters within three weeks time. Ellen Amanda Lanich, was born Saturday, March 3d, 1917 and died August 24th, 1918 aged 1 years and 5 months.

Mabel Lanich was born Thursday, July 3d 1918, and died Thursday, September 12, 1918 aged 7 weeks.

The little ones are survived by their parents, five sisters and two brothers. Mourn not for your departed child. Nor long for it to come; But live that you may meet it. Safe in its eternal home.

HEADLINERS
ON THE BOARDS
AT THE DRIGGS

Wednesday Night

"The Unmarried Mother," one of the most discussed plays both for and against its presentation on the stage will be the offering at the Driggs Theatre next Wednesday October 2, with business.

The play was written by that brilliant young playwright Miss Florence Elton, who is not only a prominent dramatist of plays, but also the author of many of the best sellers. Miss Elton has given the theme of "The Unmarried Mother" most close study and has succeeded in turning out a realistic picture of the life of a woman, who is a victim of the modern world. A strong cast of metropolitan players will support Miss Mildred Johnson who has been cast in the leading role.

Thursday Night

"Yanks"

By WILBUR D. NESBIT

There were 62 names in a recent casualty list.

Twenty-two of those names were of men who were obviously of foreign blood. Joseph Maciejewski and George Verkoulas and Eggi Ganski and Thomas Villotto and Wesley Knutson and Toras Maximovitch were among them.

So it went — Greek, Italian, Swede, Dane, Russian, Jew, Pole, German — you could find as many nationalities as you knew.

Yet they were all "Yanks."

The casualty lists keep coming; the names keep pouring over the cable. Oh, yes, the Smiths, and Joneses and Browns are all there.

All the boys whose great-great-grandfathers and great-grandfathers and grandfathers and fathers have fought for liberty right here — their names are in the lists.

Yet, somehow, one's hand involuntarily goes up in salute to Szysperski and Mente and Schwarz—to these "Yanks" whose fathers and mothers just a few years back stepped from deck to dock and blinked their eyes in the knowledge that at last their dreams of freedom had come true.

Why, we folks who have lived here all our lives and who can't remember when our folks weren't native Americans — here's a rich blessing for us!

These people who came to our shores believing in us are *proving* their belief. Their boys are fighting for our common country and for our common beliefs and principles.

They are "Yanks"—God bless them!

And every time you buy a Liberty Bond you put a newer and higher courage in the hearts of all our boys, but especially of those boys whose parents came here so that their sons might be free to fight for liberty if liberty had to be defended.

Every penny you lend our government in your investment in Liberty Bonds goes to give us a better army and navy.

There isn't a soul living who owns bonds of the first, second or third Liberty Loans who isn't proud of what he has helped to do for our country.

Now it is the Fourth Liberty Loan—bigger than was ever known before, and backed by greater resources than any investment you ever made.

Don't wait for the final "spurt," don't wait for the fire of enthusiasm; don't wait for speeches and parades and bands.

Buy your Liberty Bonds now, for you *know* you are going to buy them.

You are not sacrificing a penny; you are not *giving* a cent.

You are lending your money; you get good interest for it; you get your money back.

Best of all, you are saying to Gerondo and Norvich and Nowatny and all the other boys who are fighting shoulder to shoulder with Smith and Jones and Brown

"We Yanks are standing together! The old flag that our forefathers worshiped means more today than it ever did!"

NEWS OF OUR NEIGHBORS CURWENSVILLE

Miss Edith Blake, a professional nurse employed in one of the leading hospitals in Rochester, and who has been spending her vacation with her parents here, left yesterday to return to her duties.

Miss Jeanette Weber, who has been staying with her aunt, Miss Lottie Bixler and going to school, was summoned to her home yesterday by a telegram. Her parents reside in Youngstown, Ohio.

The Curwensville High School football team lost their first game last Saturday. The game was played at DuBois, who won out by a score of 19 to 0. Curwensville put up a good, brisk game but the lads on the other side of the divide were a little too swift for them. The home squad will play their next game with Bellefonte and expect to give the Centre countyites a run for their money.

The Liberty Loan meeting held at Bloomington Sunday was very interesting and largely attended by the surrounding country folks. Quite a few of those present pledged themselves to take as many bonds as their financial condition would permit. The Curwensville Liberty Chorus was on hand and entertained the crowd with some excellent and inspiring music.

A small sized riot took place in one of the shoe shops of this place one day the latter part of last week, in which the colored man who owns the shop swatted a white man with a hammer bruising his face and head considerably. What the trouble started about is not learned, as both of the participants have their own story of the affair.

Mrs. Theo. Martin, who has been quite ill at her home for several days past is slowly recovering.

Monday morning it was announced to the people of Curwensville that Frank P. Bloom, whose home is at Ferncliff, had been found dead by members of his family. Mr. Bloom had been in ill health for the past six months, suffering from a nervous debility, which finally laid him low. Deceased was the eldest son of T. Jefferson and Rosanna (Thompson) Bloom, and was born in Curwensville about fifty years ago. As he grew to manhood he followed different vocations, until within a few years ago he purchased the farm property formerly owned by his father. For the past year he had been interested in mining and shipping coal, though his health was gradually failing, and he realized that the end was not afar. He was aged about fifty years. He was married to a Miss Nolan some years ago, the widow surviving him, together with four sons and two daughters. He was connected with two Curwensville fraternal organizations, namely, K. of P. and the Royal Arcanum, in the latter he carried a nice insurance. Mr. Bloom as one of those generous, whole-souled men who made friends wherever he was, and all who ever visited his home were royally treated. It is truly said of him by those who know him best, that he never was known to refuse a favor to a friend or acquaintance, and that his generosity propose having at their home on Sunday afternoon next. An interesting program is being prepared and will be published later in the week.

COFFEE

more coffee in the pound

TRY a pound of this rich, fragrant coffee. Sold by grocers only. We do not distribute it through itinerant merchants or peddlers as we believe in the development of home town interests through home town merchants.

Miss Judith Viberg, graduate nurse of the University of Maryland, and who also passed the Pennsylvania state board has enlisted as one of Uncle Sam's Red Cross nurses. She came home Tuesday evening to spend a week with her mother and sisters on Leavy avenue but was called by telegraph and left Friday last for Camp Lee, Petersburg, Va., where she is stationed at present.

Mrs. Ina Tiedgen accompanied by Miss Tillie Tiedgen left yesterday for Long Island, New York, to visit their husband and brother Frank Tiedgen, who expects to leave for overseas this week.

Mrs. A. E. Lester has received word of the safe arrival of her son, John Lester, over seas. "Red" is a member of the Signal Corps.

Bonds fight on destroyers. YOU must be a hero, too! Would you like Hun rule? Bonds build battle-palms.

ity cost him a good many dollars that he never received any benefit from. But as the good book says, "All born must die," some in early life and others who live out the three score and ten, the allotted time of man. (At this writing no time has been fixed for the holding of the funeral.)

J. Karl Sterling, son of Mr. and Mrs. Edward Sterling, of Kerrmoor, was killed while breaking on a train of mine cars in the soft clay mines of the Crescent fire brick works, near Curwensville, on Saturday afternoon last. A fall of rock caught him and so crushed one side near the hip that he died while being taken to the Clearfield hospital. The remains were taken to the Smith undertaking rooms at Curwensville and afterwards to the home of Mrs. Elmer Smith, on Lumber City road, from which place the funeral was held this afternoon, meeting at the house at 2 o'clock and the services being held in the Methodist church, at Lumber City, the burial of the body being made in the cemetery at that place. The deceased was 26 years of age. He was married to Miss Irene Smith in June, 1917, and she is left with one son about two and a half months old. The blow falls with almost unbearable force upon the young wife. Mr. Sterling was a young man of exceptional worth, having the highest regard of all who knew him, being industrious and kind to all; of high character and genial disposition, his tragic death inflicts a heavy loss upon the entire community.

A number of Miss Mary Wright's young lady friends gave her a surprise party at her home last evening. The event was a farewell party for that young lady, who will leave soon to take up a course of nursing in the Maple avenue hospital at DuBois, which will be formally opened for the reception of patients next week or the week following. It was a jolly crowd that gathered to give her a send off to her new work and everybody enjoyed themselves to their heart's content. Miss Wright served ten years as chief clerk in what is now the Kantner store.

CLOCKS TO BE TURNED BACK
OCTOBER 27th

Many Clearfielders are confused, apparently, as to when the daylight saving plan which went into effect last spring has its termination in the fall. Weather bureau officials have set at rest reports that clocks will be turned back one hour next Sunday morning by pointing out that the daylight saving plan continues in operation until the last Sunday in October, which falls this year on the 27th.

WORSE THAN GAS

Kidney disease is no respecter of persons. It attacks young and old alike in most cases, the victim is warned of the approaching danger. Nature fights back. Headache, indigestion, insomnia, lame back, lumbago, sciatica, rheumatism pain in the loins and lower abdomen, difficulty in urinating all are indications of trouble with the kidneys. When such symptoms appear you will almost certainly find quick relief in GOLD MEDAL KIDNEY OIL CAPSULES. This famous old remedy has stood the test for two hundred years in helping mankind to fight off disease. It is imported direct from the home laboratories in Holland and may be had at almost every drug store. Your money promptly refunded if it does not relieve you. Be sure to get the genuine GOLD MEDAL Brand. In sealed packages three sizes.

Went Over The Top 100 Per Cent For The Fourth Liberty Loan

A Liberty Bond For Every Employee

We have applied for our Honor Flag and will display same as soon as it arrives.

We are proud of our people. We believe Clearfield and all America will be proud of them.

The Eagle Is Screaming—Let's Put The Fourth Liberty Loan Over Big and Quick

Then we can say to our boys "over there"—"Don't worry about us. You keep going." And it won't be very long before they get there.

It's money more than anything else that has made our soldiers far superior to any other. It is food that money buys that is keeping them fit. It is money that started things going.

Our ability to put things on a scale that wrecked the last hope of the Germans cost MONEY.

Yet the money is the least thing any American man or woman can give. And since money is accomplishing things and promises us the quick end of this terrible war, we are going to continue loaning it to the Government.

Let each of us give \$50, \$100, \$1000—as much as we have or can get. Subscribe to the Fourth Liberty Loan today. Let's fill our quota quickly.

ALLIES STRIKING AT GERMANY'S SUBMARINE BASES IN BELGIUM

DOUBLE DRIVE OF ALLIES MENACES BOTH SUB HEADQUARTERS AND IMPORTANT INDUSTRIAL HOLDINGS IN FRANCE

ALLENBY TAKES MANY MORE TURKS

The Anglo-Belgian drive in Flanders has developed a double menace to Germany. They face the loss of their submarine bases of Ostend, Zeebrugge, Bruges and the railway and industrial centers of Lille, Roubaix and Courcinq. Unusually rapid progress has been made in this region despite the most stubborn resistance. The fighting front now extends from Dixmude southward to the region of La Bassée, a distance of nearly 5 miles. A penetration of more than 8 miles has been made.

The Anglo-French attack in the Cambrai-St. Quentin region also along a 50 mile front has given the British virtual control of Cambrai while the British and French have more than half encircled St. Quentin. The great coal center of Douay also is in danger. The Americans in this region are fighting along St. Quentin and Escourt canals astride Le Catelet.

The German resistance on the Rheims-Verdun front appears to be directed against the Americans in the Argonne region. The American progress there is very slow owing to enemy reinforcements which are launching counter attack after counter attack. The French, however, operating on the American left have made notable progress toward the line north of Monthois, a total advance of nearly ten miles.

Between the Ailette and the Vesle the French continue their progress toward Chemin Des Dames and to the southward are drawing near to Laon and Crayonne.

A total of 10,000 additional prisoners in Palestine was announced by General Allenby which brought the total Turkish prisoners up to 60,000 which have been taken east of the Jordan beyond Amman.

Reorganization of the line in the Balkans is expected to follow rapidly Bulgaria's withdrawal from the war. The Germans are reported to be sending a great number of reinforcements from Roumania into northern Serbia.

Austrian withdrawal from the whole front in Albania is looked for because of the danger of a flanking operation resulting from the extension of the Allied line north into Serbia.

Paris, 3:49 p. m.—The Germans are reported to be withdrawing from the Vesle and the Aisne west of Rheims. General Berthelot's army was understood to be in action. General Gouraud's army acting in the Champagne on Berthelot's right is progressing satisfactorily and is expected to reach all its objectives by night.

The new attack reported in the above dispatch apparently is an effort to straighten out the salient which remained immediately west of Rheims following the elimination of the Marne pocket. Between Rheims, the Oise and the Aisne canal north of Vailly the French still have an average of 6 miles to go on a front of nearly 25 miles to reach the positions held by the Germans before the enemy's first Marne drive began.

MARSHAL JOFFRE'S APPEAL TO AMERICA

Paris, Oct. 1.—(By United Press.)—Marshal Joffre in connection with the Allies military success and on the occasion of the Fourth Liberty Loan today made the following statement to the United Press:

"Victory approaches hastily in strides, but so it will be quicker, it is every citizen's task to give gold plentifully so as to secure for those who pour out their blood all possible means of casting down the last resistance of our enemy."

ALLIES CONTINUE TO DRIVE TURKS

Paris, Oct. 1.—British troops are within 2 1/2 miles of Damascus and the fall of the city is momentarily expected, the Echo d Paris declared today. At the same time the French cavalry is advancing on Beirut.

Damascus is the chief railway and commercial center in Palestine and is 60 miles north of the sea of Galilee. Beirut is the chief sea port of Syria and is about 70 miles north of Acre where the Allies were last officially reported.

INTEREST GROWING IN BIG BOND ISSUE

The Fourth Liberty Loan campaign is sweeping over the country like a whirlwind and the loyal patriotic people of these United States are eagerly placing their wealth at the disposition of our Uncle Sam for the purpose of providing our boys "over there" with the needed tools to put the final quietus on the unspeakable and bestial Hun.

From north, south, east and west comes the same story "everybody is doing it". As usual the grand old Keystone commonwealth is in the front rank and the returns have only begun to arrive.

As an illustration of what Pennsylvania is doing we will mention just two cases. The Harbison-Walker Refractories company at Pittsburgh has subscribed to \$100,000 worth of bonds. Of this huge total our district will be credited with \$115,000. This is slightly below Harbison-Walker's local subscription to the last loan, but this is due to the fact that three new works have been started since that time and also because Cambria county which was overlooked last time has been given their full credit on this loan.

The United States Steel company at Homestead began their drive last Friday and by Monday their 12,000 employees had purchased \$2,000,000 worth of bonds. This was in excess of the amount asked for as each employee had been solicited to purchase bonds to the amount of a month's wages.

GOOD WORK AT MACHINE SHOPS

The Clearfield Machine shops subscribed for \$11,000 worth of bonds following a meeting at their plant yesterday. Rev. E. V. Brown, one of Pershing's veterans and a sailor were present and spoke. The company told the men they would subscribe dollar for dollar with their employees and as a result the men took \$5500 and their employers promptly equaled the amount.

The Lone Pine Foundry branch of this concern was the first industrial plant in Clearfield to secure a 100 per cent flag—every employee subscribing for a bond Monday.

A splendid meeting was held at Frenchville last night. The speakers were W. A. Harkerty, Roy Fulton and County Chairman Hobart Callahan. More than \$6,000 worth of bonds were sold following the speech making and something over \$2,000 of this amount was paid in cash.

A rousing meeting was held at Winburne last evening. In addition to the local speakers present the soldier and sailor representatives of the State Liberty Loan committee were present. The soldier whose name is Devos is one of Pershing's veterans who was gassed by the Germans. He could not resist the temptation of such a fine audience and despite his injured vocal organs told some interesting experiences while facing the Hun.

The Clearfield Liberty chorus was present and added much to the enjoyment and enthusiasm of the occasion.

The Liberty Chorus will attend to night's meeting at Kerrmoor. All members who intend going should report at the Court House corner at 6 o'clock.

Liberty Loan headquarters in the Murray building is about the busiest place in town. Chairmen Callahan and Usher and Secretary Reeve are almost constantly on the job and with their corps of efficient clerks are turning out a vast amount of work daily.

L. E. Boyer, Esq., entered suit in the Prothonotary's office Friday last on behalf of John W. Lucore against E. C. Weaver and Constable William McNaughton, of DuBois, in which Lucore, who is 74 years of age, seeks to recover \$500 damages due to injuries sustained when the constable evicted him from a house belonging to Weaver.

TODAY'S CASUALTIES COMING LIBERTY LOAN RALLIES

The following casualties are reported by the commanding general of the American Expeditionary forces today:

Killed in action	124
Missing in action	13
Wounded severely	437
Died from wounds	10

George L. Rodgers, Quantico.

George L. Rodgers dies at Quantico.

Another of our young men in the service of his country has given up his life. George L. Rodgers, a resident of Point Lookout, near Philadelphia, died at the naval hospital at Quantico, Va., from an attack of pneumonia, on Thursday, Sept. 26, according to information which reached his grandparents, Mr. and Mrs. Samuel Rodgers, of Point Lookout, on Friday. The body was expected to arrive here this morning, and burial made from the residence of the grandparents. Through some misunderstanding or inaccurate shipping instructions the corpse was not on the morning train today, and will probably arrive this evening.

George Leverne Rodgers was born at Point Lookout in October, 1895, and was therefore in his twenty-third year. He grew to manhood in this section. In May 1917, he enlisted in the Marine Corps and was taken to Paris Island, S. C., for training, and later was stationed at Washington, D. C., and Quantico, Va. He was a member of Company D, 11th Regiment 1st Battalion. According to letters received by relatives he had been ill about two weeks.

JOHN C. DALE'S FUNERAL

The funeral of the late John C. Dale will be held from the home of his son Samuel on Hannah street on Wednesday morning at 10 o'clock. Interment at Mt. Joy.

(Continued on Page Two)

PENNSYLVANIA'S SECOND DIVISION WINS ADDITIONAL GLORY

By Frank J. Taylor

(United Press Staff Correspondent)

With The Americans West Of Verdun, Oct. 1.—The American Second Division are frantically rushing reinforcements into the Argonne region in an effort to stop the American advance. The enemy is determined to make a permanent stand on the present line, rather than farther back. Intense fighting continues with the American infantry and artillery blazing away. Missouri and Pennsylvania troops encountered sharp fighting shortly after noon. The Germans threw in a fresh division from the Meuse region. Missourians advancing on the crest of the hills south of Verdun ran into overwhelming numbers of the enemy, obliging them to withdraw their advance line slightly until their artillery was able to lay down a barrage. In the meantime the Pennsylvania troops, flanking the Germans from the right, attacked eastward, inflicting great losses on the Boche. The Missourians and Pennsylvania troops cooperating again attacked at 6 p. m. and captured several positions.

BULGAR RULER IN AUSTRIA

Copenhagen, Oct. 1.—Czar Ferdinand, of Bulgaria, arrived at Essenthal Castle just outside Vienna according to the Zeitung. Rioting is reported in Constantinople. This is the first news that Ferdinand has again left Bulgaria. It may also be the reported revolutionary movement in that country. The emperor of Austria-Hungary and was said to be suffering from a nervous breakdown.

ANARCHY RAGING IN SOFIA

Washington, Oct. 1.—Complete anarchy is raging in Sofia, Bulgaria, according to official cables from Athens stated today. The Bolshevik regime is feared. This would mean a menace to the Germans.

KING FERDINAND TO ABDICATE

Rome, Oct. 1.—The Vatican has received information from Vienna that King Ferdinand of Bulgaria will abdicate in favor of his son Prince Boris.

Crown Prince Boris was born January 30, 1894. He is reported to be more liberal and democratic than his father.

Washington, Oct. 1.—Czar Ferdinand's exodus from Sofia is viewed as a virtual abdication by well informed diplomats here today. Malinoff, it is understood, forced Ferdinand to leave the country, fearing German influence on him. Whether Ferdinand will return to Bulgaria and remain without influence or whether he will be forced to retire to his extensive estates in Hungary will depend upon Malinoff and his cabinet.

TODAY'S EVENTS

1523rd day of the Great War.

Mr. and Mrs. William Jennings Bryan today enter upon the 35th year of their wedded life.

Today is the 92nd birthday of Miss Delia C. Torrey of Millbury, Mass., aunt of former President Taft and known throughout the country as "Aunt Delia."

Main's big game season will open today, when deer shooting will begin, extending to December 15.

Saloons will be abolished today in many cities and towns of New York State which voted "dry" in the elections last November.

War-time service will be the general theme at the annual conference of the Daughters of the Revolution in Missouri, which opens today at Jefferson City.

The prohibition amendment to the State constitution of New Mexico, adopted by vote of the people last November, will become operative today.

How the libraries can help in winning the war will be discussed by the Ohio Library Association, meeting in annual convention at Columbus during the three days beginning today.

20 HOURS TO DRAW NUMBERS

Breaking all records for speed America's third and greatest draft lottery ended at eight o'clock this morning after proceeding without pause for 20 hours.

HIGH SCHOOL BOYS WILL HELP GATHER FARMER'S CROPS

The farm labor manager has adopted the following plan for sending High School boys to work on farms on Saturdays.

Sometimes early in the week the High school principal will speak to the boys at chapel inviting them to volunteer to do farm work if called on, the next Saturday, they to be paid 20c to 25c per hour for the actual time they work by the farmer, and have the principal report to the farm labor bureau, 52 H. & C. or 76 W. Bell, Clearfield.

Then a schedule will be prepared with the farmers, desirable hours, and arrangements be made for having the boys taken out and brought back. These boys will need the supervision of the farmer, or possibly some teacher who understands such work and who has a knack with boys and who could possibly go with them. Boys who wish to do other days than Saturday must, of course, get away from school. Ten boys were sent out and did good work on Saturday. These boys can work well at such things as picking apples or digging potatoes, husking corn, threshing, etc., and are sure those persons who have seen and can transport the boys to and from work will be glad to do so.

BUCKET LINE STARTED TODAY

The differences between the Clearfield Coal company and their employees at the bucket line mine at Hyde City have been adjusted by the payment of the price asked for by the men and the mine started up again this morning.

HEADLINERS ON THE BOARDS AT THE DRIGGS

Wednesday Night

"The Unmarried Mother," one of the most successful plays both for and against its presentation on the stage will be the offering at the Driggs Theatre next Wednesday October 2, with business.

The play was written by that brilliant young playwright Miss Florence Elton, who is not only a prominent actress of plays, but also the author of many of the best sellers. Miss Elton has given the theme of "The Unmarried Mother" most close study and has succeeded in turning out a realistic picture of the life of a woman, who, after having been cast in the leading role.

Thursday Night

One of the best that the theatre has to offer is to regard with satisfaction the chief event of the week locally will be the appearance here of "The Queen of the Movies," the sensational musical comedy success from the Globe theatre, New York City, at the New Driggs Theatre on Thursday, October 3rd. This international musical comedy success is in three acts and presents a round of songs, dances and ensembles of the prettiest of pretty girls, and with nearly every song there is a chorus of two scores of the pick of Broadway's choicest girls. "The Queen of the Movies" has been proclaimed the best musical comedy in ten years, and in an era noted for the extravagance and display of the "movies," "The Queen of the Movies" ranks as the season's most prodigious specimen.

"Oh! Sammy"

The new comedy with music and songs, "Oh! Sammy," will be seen at the Driggs Theatre Tuesday October 1st. It is a play which like a hearty laugh and hearty girls are getting ready to enjoy themselves. Its strong point is its heart-rending qualities. It is so constructed that there is no chance for anyone to withstand it. The big heart breaks in the world would be sure to capitulate to this irresistible attraction. It is built for laughing purposes and played laughingly to laughter that is good for an audience.

WOMEN'S CLUB MEETING

The Women's club will meet at the home of Mrs. C. T. Kurtz this evening. Every member is requested to be present.

WOODLAND SOLDIER DIES OF PNEUMONIA

Woodland, Clearfield county, has lost her first son in the service of his country. Carl Hummel, aged 22 years, died at Camp Baswell, N. C., Saturday afternoon from pneumonia, which developed from the dreaded Spanish influenza which has become such a menace in the various training camps.

At the time of the first draft registration in 1917 Carl Hummel was under age, but he enlisted in the early summer of this year and was sent to Camp Baswell for training. Carl, a young man of fine character and highly respected by the entire community, was born and raised in Woodland. His father, Roy Hummel, was killed in an accident at the brick works at that place several years ago. His sorrowing mother and sister Miss Elizabeth survive.

JOSEPH HENRY DIES

Joseph Henry died last evening at 8 o'clock at the old Henry homestead near Susquehanna bridge after an illness of several years duration aged 47 years. A sorrowing widow, son and daughter are left to mourn the loss of a loving husband and father. The funeral will occur Thursday afternoon at 2 p. m. and will be in charge of the Masonic lodge. Interment in Hillcrest cemetery.

ENLISTED IN NURSE'S TRAINING CORPS

Miss Lucinda Walsh, a former valued employee of The Progress office, enlisted in the Nurse's Training corps and left Monday morning for Philadelphia where she entered the General Hospital as a student nurse.

REPUBLIC TRUCKS Modernize Farming

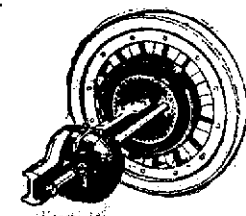

WITH a Republic Truck on your farm, you can get the same speed and efficiency in your hauling that are making profits for successful business men in every other line.

Republic Trucks are built by the largest manufacturers of motor trucks in the world, who build nothing but motor trucks and know just how to build them to insure their giving constant dependable service at a minimum cost. Last year more than twice as many Republics were produced and sold as any other make.

The Internal Gear Drive used on all Republics, gains extra leverage by applying the power near the rim of the wheel. That gives greater pulling ability under all conditions. The load is carried on a separate I-beam axle of solid forged steel and the driving mechanism has nothing to do but to drive the truck.

45% greater road clearance makes this the ideal truck for country roads and there is less unsprung weight which means a big saving in tires, gasoline and all upkeep expense. Republics are also remarkably easy riding.

Let us tell you more about Republic Trucks and show you the models which are particularly adapted to farm requirements.

The Internal Gear Drive is simple as well as powerful. Owners say that it is practically trouble proof.

Hurray for Banana Peel "Gets-It"

Only Real Way to Get Rid of Corn

Which do you prefer: a corn that pulls or a corn that "gets-It"? Butcher or blizzard! Only "Gets-It" can get rid of your corn the peel-off way, the blessed way. You don't need a nail. Why jump yourself up on the floor and with your jaws set and eyes popping from pain, jerk and yank and cut your corns? Why irritate your toes with some salve or

"Corn Never Trouble Me, I Use 'Gets-It'!" When your toe into a bit painful bundle with some sticky tape or plaster? Life is too short. Use "Gets-It"—it takes a few seconds to apply and there's no fussing. Corn-pains go. Wear new shoes if you want. Peel off the corn with your fingers—the whole thing, root and all, clear and clean and it's gone! Only "Gets-It" can do this. Talk no chances. "Gets-It" the guaranteed, moneyback corn-remover, the only sure way costs but a trifle at any drug store. Manufactured by E. Lawrence & Co., Chicago Ill.

DOUBLE BEREAVEMENT

Mr. and Mrs. Boyd Lanich of Mt. Joy have been called upon to mourn the death of their two little daughters within three weeks time. Ellen Amanda Lanich, was born Saturday, March 3d, 1917 and died August 24th, 1918 aged 1 years and 5 months.

Mabel Lanich was born Thursday, July 3d 1918, and died Thursday, September 12, 1918 aged 7 weeks. The little ones are survived by their parents, five sisters and two brothers. Mourn not for your departed child. Nor long for it to come; But live that you may meet it. Safe in its eternal home.

Winning The War

has become the big issue of the day. The business man is bringing every force to bear in fulfilling the mighty part he is called upon to play. This is the time when the experience and service of the Clearfield Trust Co. can be especially beneficial. Our officers invite conference with loyal business men of this community.

"Yanks"

By WILBUR D. NESBIT

There were 62 names in a recent casualty list.

Twenty-two of those names were of men who were obviously of foreign blood. Joseph Maciejewski and George Verkoulas and Eggi Ganski and Thomas Villotto and Wesley Knutson and Toras Maximovitch were among them.

So it went—Greek, Italian, Swede, Dane, Russian, Jew, Pole, German—you could find as many nationalities as you knew.

Yet they were all "Yanks."

The casualty lists keep coming; the names keep pouring over the cable. Oh, yes, the Smiths, and Joneses and Browns are all there.

All the boys whose great-great-grandfathers and great-grandfathers and grandfathers and fathers have fought for liberty right here — their names are in the lists.

Yet, somehow, one's hand involuntarily goes up in salute to Szyperski and Mente and Schwarz—to these "Yanks" whose fathers and mothers just a few years back stepped from deck to dock and blinked their eyes in the knowledge that at last their dreams of freedom had come true.

Why, we folks who have lived here all our lives and who can't remember when our folks weren't native Americans — here's a rich blessing for us!

These people who came to our shores believing in us are *proving* their belief. Their boys are fighting for our common country and for our common beliefs and principles.

They are "Yanks"—God bless them!

And every time you buy a Liberty Bond you put a newer and higher courage in the hearts of all our boys, but especially of those boys whose parents came here so that their sons might be free to fight for liberty if liberty had to be defended.

Every penny you lend our government in your investment in Liberty Bonds goes to give us a better army and navy.

There isn't a soul living who owns bonds of the first, second or third Liberty Loans who isn't proud of what he has helped to do for our country.

Now it is the Fourth Liberty Loan—bigger than was ever known before, and backed by greater resources than any investment you ever made.

Don't wait for the final "spurt," don't wait for the fire of enthusiasm; don't wait for speeches and parades and bands.

Buy your Liberty Bonds now, for you *know* you are going to buy them.

You are not sacrificing a penny; you are not *giving* a cent.

You are lending your money; you get good interest for it; you get your money back.

Best of all, you are saying to Gerondo and Norvich and Nowatny and all the other boys who are fighting shoulder to shoulder with Smith and Jones and Brown

"We Yanks are standing together! The old flag that our forefathers worshiped means more today than it ever did!"

NEWS OF OUR NEIGHBORS CURWENSVILLE

Miss Edith Blake, a professional nurse employed in one of the leading hospitals in Rochester, and who has been spending her vacation with her parents here, left yesterday to return to her duties.

Miss Jeanette Weber, who has been staying with her aunt, Miss Lottie Bixler and going to school, was summoned to her home yesterday by a telegram. Her parents reside in Youngstown, Ohio.

The Curwensville High School football team lost their first game last Saturday. The game was played at DuBois, who won out by a score of 19 to 0. Curwensville put up a good, brisk game but the lads on the other side of the divide were a little too swift for them. The home squad will play their next game with Bellefonte and expect to give the Centre countyites a run for their money.

The Liberty Loan meeting held at Bloomington Sunday was very interesting and largely attended by the surrounding country folks. Quite a few of those present pledged themselves to take as many bonds as their financial condition would permit. The Curwensville Liberty Chorus was on hand and entertained the crowd with some excellent and inspiring music.

A small sized riot took place in one of the shoe shops of this place one day the latter part of last week, in which the colored man who owns the shop swatted a white man with a hammer bruising his face and head considerably. What the trouble started about is not learned, as both of the participants have their own story of the affair.

Mrs. Theo. Martin, who has been quite ill at her home for several days past is slowly recovering.

Monday morning it was announced to the people of Curwensville that Frank P. Bloom, whose home is at Ferncliff, had been found dead by members of his family. Mr. Bloom had been in ill health for the past six months, suffering from a nervous debility, which finally laid him low. Deceased was the eldest son of T. Jefferson and Rosanna (Thompson) Bloom, and was born in Curwensville about fifty years ago. As he grew to manhood he followed different vocations, until within a few years ago he purchased the farm property formerly owned by his father. For the past year he had been interested in mining and shipping coal, though his health was gradually failing, and he realized that the end was not afar. He was aged about fifty years. He was married to a Miss Nolan some years ago, the widow surviving him, together with four sons and two daughters. He was connected with two Curwensville fraternal organizations, namely, K. of P. and the Royal Arcanum, in the latter he carried a nice insurance. Mr. Bloom as one of those generous, whole-souled men who made friends wherever he was, and all who ever visited his home were royally treated. It is truly said of him by those who know him best, that he never was known to refuse a favor to a friend or acquaintance, and that his generosity propose having at their house on Sunday afternoon next. An interesting program is being prepared and will be published later in the week.

Miss Judith Viberg, graduate nurse of the University of Maryland, and who also passed the Pennsylvania state board has enlisted as one of Uncle Sam's Red Cross nurses. She came home Tuesday evening to spend a week with her mother and sisters on Leavy avenue but was called by telegraph and left Friday last for Camp Lee, Petersburg, Va., where she is stationed at present.

Mrs. Ina Tiedgen accompanied by Miss Tillie Tiedgen left yesterday for Long Island, New York, to visit their husband and brother Frank Tiedgen, who expects to leave for overseas this week.

Mrs. A. E. Lester has received word of the safe arrival of her son, John Lester, over seas. "Red" is a member of the Signal Corps.

Bonds fight on destroyers. YOU must be a hero, too! Would you like Hun rule? Bonds build battle-palms.

ity cost him a good many dollars that he never received any benefit from. But as the good book says, "All born must die," some in early life and others who live out the three score and ten, the allotted time of man. (At this writing no time has been fixed for the holding of the funeral.)

J. Karl Sterling, son of Mr. and Mrs. Edward Sterling, of Kerrmoor, was killed while breaking on a train of mine cars in the soft clay mines of the Crescent fire brick works, near Curwensville, on Saturday afternoon last. A fall of rock caught him and so crushed one side near the hip that he died while being taken to the Clearfield hospital. The remains were taken to the Smith undertaking rooms at Curwensville and afterwards to the home of Mrs. Elmer Smith, on Lumber City road, from which place the funeral was held this afternoon, meeting at the house at 2 o'clock and the services being held in the Methodist church, at Lumber City, the burial of the body being made in the cemetery at that place. The deceased was 26 years of age. He was married to Miss Irene Smith in June, 1917, and she is left with one son about two and a half months old. The blow falls with almost unbearable force upon the young wife. Mr. Sterling was a young man of exceptional worth, having the highest regard of all who knew him, being industrious and kind to all; of high character and genial disposition, his tragic death inflicts a heavy loss upon the entire community.

A number of Miss Mary Wright's young lady friends gave her a surprise party at her home last evening. The event was a farewell party for that young lady, who will leave soon to take up a course of nursing in the Maple avenue hospital at DuBois, which will be formally opened for the reception of patients next week or the week following. It was a jolly crowd that gathered to give her a send off to her new work and everybody enjoyed themselves to their heart's content. Miss Wright served ten years as chief clerk in what is now the Kantner store.

CLOCKS TO BE TURNED BACK OCTOBER 27th

Many Clearfielders are confused, apparently, as to when the daylight saving plan which went into effect last spring has its termination in the fall. Weather bureau officials have set at rest reports that clocks will be turned back one hour next Sunday morning by pointing out that the daylight saving plan continues in operation until the last Sunday in October, which falls this year on the 27th.

Went Over The Top 100 Per Cent For The Fourth Liberty Loan

A Liberty Bond For Every Employee

We have applied for our Honor Flag and will display same as soon as it arrives.

We are proud of our people. We believe Clearfield and all America will be proud of them.

The Eagle Is Screaming— Let's Put The Fourth Liberty Loan Over Big and Quick

Then we can say to our boys "over there"—"Don't worry about us. You keep going." And it won't be very long before they get there.

It's money more than anything else that has made our soldiers far superior to any other. It is food that money buys that is keeping them fit. It is money that started things going.

Our ability to put things on a scale that wrecked the last hope of the Germans cost MONEY.

Yet the money is the least thing any American man or woman can give. And since money is accomplishing things and promises us the quick end of this terrible war, we are going to continue loaning it to the Government.

Let each of us give \$50, \$100, \$1000—as much as we have or can get. Subscribe to the Fourth Liberty Loan today. Let's fill our quota quickly.

Nyal's Laxacold For Incipient Spanish Flu

You're making a mistake if you let that cold go along without attention. It may be Spanish Flu in the making and, taken in time can be easily broken up.

Try a box of Nyal's Laxacold and see how quickly relief will come and this followed by a complete cure.
